KELLY & BAM BAM

I'm what I call a sexaholic. But, not clinically. I love fucking and getting fucked. I love doing it for the camera and I like doing it a lot. But most of all I have to like my partner. That's really important to me because all men fuck differently. I like my man to be big, very big.

When I turned 20, I went on a sex spree. No guy or girl was safe. No cock or pussy went unfucked when I was around. Now I value the quality of my sex life more than the quantity. Now, I think I'm a really hot fuck and know how to use my skills, my boobs, and my pussy, and my mouth. Why don't you watch me in my video. You won't be disappointed. I promise you'll get off – big time!

You can see that I don't get much sun. I prefer it that way. I'm a creature of the night, and I prefer it that way, because nighttime is when I do my best sucking and fucking. No, I'm not a succubus, but I do appreciate them. Women who cum in the middle of the night to have their way with men!

me so horny they so horny, too

I feel so horny all the time. Does that make me a nymphomaniac?" Yvonne asks. "Not really," counters her drinking buddy, Carole. "Because I feel that way all the time, too," she adds. "Fortunately for me, I've got Trevor for my booty calls day or night. He's very adventurous and accommodating with me. I love to experiment and he goes right along," Carole says, as she sips her mocha latte. Carole has an arrangement with this lover which allows her fantasies to be explored and enacted, some of her most extreme desires to be expressed and satisfied. So she tells Yvonne how the two of them enjoyed their lustful liaisons, those liaisons sometimes include others. This certainly piqued Yvonne's interest.

"I have this thing for pretty cocks. They have to be straight and long. And they have to stay hard for a long, long time," Yvonne says. "What's Trevor's like?"

Carole pulls out her iPhone and scrolls through the pictures stopping at the full torso shot of a guy with a long hard dick in profile. "That's Trevor's," Carole boasts. She flicks the screen and more shots of his cock appear. One has a woman's hand around it. "That's my hand around it, just to show you how long it is," Carole says. One more flick and a shot of Carole's mouth around the cock head appears and she explains how many shots she had to take with the iPhone camera to get that one just right. Carole laughs out loud and winks at Yvonne whose eyes are wide open and her jaw dropped as she gazed at the pics.

"It's one absolutely delicious cock," Carole says, and with a sly smile adds, "but it's even tastier when it's deep inside my pussy." Carole thinks for a minute and adds "No it's better when it's in my ass!" she says.

"In your ass?" Yvonne asks. "That's delicious, lady, I so dig that too, There's just something about that stick of man-meat inside my butt that makes me melt," Yvonne says looking up from the photos. Putting both hands around her drink, Yvonne looks directly into Carole's eyes and says "Another thing I love is pussy!"

"Oh, you're bad, and a mind reader. I do too. Men are nice and they have their place, but a nice, soft wet pussy is something I can get lost in for hours, baby," Carole says. Realizing that a rare moment has happened, they stare at each other and then both break out into an easiness that they were able to discuss these secret thoughts. Lunch time was over and they headed back to the office. "I'll call you later," they said at the same time.

That night the two talked setting the wheels in motion to exploit their plaything. Details were discussed and plans were made. The most difficult decision was to tell Trevor or not. They decided, not! A few nights later Yvonne's at Carole's house. Carole had Yvonne arrive first so they could share a glass of wine or two before he came.

There's a knock at the door. Both ladies go to answer it. Standing there is Trevor. Immedi

Carole steps back and pulls down his shorts exposing his cock completely to Yvonne. Now standing stark naked in front of Yvonne, he grabs his cock and gives a few deft strokes while looking Yvonne right in her eyes.

ately his eyes meet Yvonne's and she smiles back extending her hand, "Hi. I'm Yvonne." she says. "Pleasure to meet you. I've heard a lot about you." he said. Trevor and Yvonne seemed quite pleased to finally lay eyes on one another. Trevor was wearing board shorts and a white tank top. Not really a surfer kind of guy, he still likes to wear clothes to show

off his body. Trevor enters the house. He is taller than his picture seems to show, and much better built. His face is handsome, but not a pretty-boy. His hands and feet are large, something not lost on Yvonne.

Carole invites everyone to the kitchen for drinks. Leaning on the counter, Carole says that she showed Yvonne his photos on her iPhone. Trevor blushes and is a little taken aback by Carole's comment. She goes over to him and rubs his arm, saying 'that's alright.' He looks at her and smiles. She backs off a little and reaches for his drawstring looking at Yvonne saying, "Want to see it live?" She rubs the front of his shorts, squeezing his cock so that when she slips a hand under the elastic of his shorts, she finds it large and hard.

Fondling him in his shorts, she pulls them down with her other hand and pulls his cock out as Yvonne watches. She looks at Yvonne, teasing her with her eyes while stroking Trevor's cock. Yvonne takes in the sight with eyes focused on every detail of his cock. Then Carole bends down and takes his cock into her mouth. As she sucked and stroked the shaft in her hand, Carole motions to Trevor to take his shirt off. He obliges by pulling the top over his head, exposing just the right amount of hair and well-formed pecs. Carole steps back and pulls down his shorts exposing his cock completely to Yvonne. Now standing stark naked in front of Yvonne, he grabs his cock and gives a few deft strokes while looking Yvonne right in her eyes.

Carole strips herself naked closely watching Yvonne's and Trevor's interplay. Carole was going to help Yvonne undress but, before she did, she couldn't help doing something, something she always craved. So she dropped to her knees behind Trevor, took hold of his trim, firm buttocks, spread them wide open and pressed her face between them, lapping hungrily at his asshole. Yvonne comes over to Trevor and takes his cock in her hands. She looks at him directly and strokes his cock, licking her lips as if to tell him what's going to cum later. Carole stands up and pushes Trevor as Yvonne pulls him by the cock into the living room.

Yvonne sits on the couch, putting her face right at Trevor cock height. She replaces her hands with her mouth and slowly begins to caress his cock with her lips. Now Carole sat on the couch next to Yvonne, the two women gazing at each other as Yvonne kept up the blow job, and Carole began to unbutton her blouse. Carole brings her face close as Yvonne, reading the signal, releases Trevor's cock from her lips and lets Carole have herself a nibble. But Carole had other things in mind as she now urges Yvonne to resume sucking, systematically disrobing Yvonne as she continued fellating Trevor. Off came the blouse, the skirt, and the rest leaving the three of them utterly and totally naked.

Now Carole wanted to have she and Trevor perform for Yvonne's viewing pleasure. When they lunched, Yvonne had been deeply intrigued to hear how much Carole enjoyed taking it up the ass, and when Carole had mentioned to her that perhaps she'd like to come by sometime and watch she and Trevor do the dirty, Yvonne, with a glint in her eye, said teasingly that she'd love that, especially if Yvonne could watch the anal antics. Carole got up on the couch on her knees and stuck out her ass provocatively, stuck out it out nice and high knowing that would separate her cheeks enough to make her asshole visible to the two. She knew how desperately Trevor lusted for that puckered little hole every time he laid his eyes on it. Carole brought her two hands back to hold her buttocks wide open. Looking over her shoulder, Carole could see Trevor pushing gently on the back of Yvonne's head towards Carole's totally exposed bottom.

Yvonne complied, grabbing Carole's ass cheeks, caressing and then massaging them as she teased the other woman, playfully blowing air right on her vividly exposed asshole, the effect on Carole to make her long desperately for

the feel of Yvonne's tongue, anyone's tongue! Then she felt that tongue and, as always, the sensation was sublime. For some women their assholes were tempting but forbidden entryways to be denied their men, or were offered up, often reluctantly, as a special treat to please them. But for Carole her asshole was like another pussy, it was one the major destinations of her erotic topography. She knew she had the potential for enjoying sensual pleasure down there. But it was Trevor who really opened her up to the thrills and the joys of anal sex.

Trevor watched Yvonne tongue Carole's bottom, her eyes sparkling with lust as she glanced over at Trevor, lewdly flickering the tip of her tongue over Carole's asshole. Carole groaned as she felt the two tongues work away at her, Yvonne's making it down to her clit, teasing her with a few quick flickers of the tip of her tongue over that hard little nub. But Yvonne knew there would be plenty of time to attend to that little pearl of Carole's. This was just a quick tease. And so now she dragged her tongue upwards again as Trevor pulled away and Yvonne resumed licking Carole's asshole. They took turns now, Trevor and Yvonne, lapping away at Carole's ass like two famished gluttons, first just licking, then, Yvonne following Trevor's lead, forcing their tongues up into her anal passage.

Trevor told Yvonne to stick a finger inside her butt hole, pulling back his tongue and replacing it with a finger, which she slowly dug into Carole's anus, Carole moaning as she felt the stiff digit slide into her bottom. Carole craved the finger probing her bottom, digging in deep, and loved hearing Yvonne being so expressive. Now Trevor slid in a finger of his own, alongside Yvonne's, Carole's asshole well prepped for such probing after all the lavish licking. Carole often had two or more fingers wedged up her ass hole, but they usually belonged to one hand, Trevor's.

Trevor reached over to the side table and grabbed a jar, unscrewed the top. He told Yvonne to dip a finger or two and 'to grease her up.' That sent a chill through Carole whenever she heard Trevor use the word 'grease.' Somehow it sounded especially obscene, knowing that the greasing he referred to was of her ass, and that it was to be done for a purpose, for the fucking of that ass.

Yvonne, smiling a little wickedly, pulled her finger out of Carole and reached to scoop up a big dab of the grease, slapping it between Carole's cheeks. She slowly and teasingly spread the slick lube all over Carole's anus, then working plenty more in with a couple of stiff fingers. She turns to Trevor and spreads more on his readily stiff cock, prepping them both.

Trevor positions himself behind Carole and pushes his cock into her ass with Yvonne guiding it to the spot. He forces an inch or two at the start and then goes deeper and deeper. Yvonne realizes her fingers are well greased and surprisingly sticks one into Trevor's butt. He lurches forward thrusting his long hard cock deeper into Carole's ass, then pushes back out so her finger can go in even deeper.

Trevor motions Yvonne from behind him and tells her to kneel on the sofa beside Carole which she does, releasing her finger from his ass. With his cock still deep in Carole's ass, he returns the anal finger-fuck sticking a well-lubed finger into Yvonne's ass. After several more thrusts he pulls Yvonne's hips next to Carole's and replaces his finger with his cock. Now Yvonne can enjoy what she has fantasized about a long hard cock deep inside her ass. Never realizing how good it felt, she takes over the fucking by moving back and forth on his rocket. Carole turns over to lay under Yvonne and begins to lick her pussy holding her ass cheeks apart for Trevor's thrusts.

All of a sudden there are police sirens coming down the street and I have to quickly get away from the window because I don't want to get caught. I'll try to come back later to tell you how it ends.

Now Yvonne can enjoy what she has fantasized about a long hard cock deep inside her ass. Never realizing how good it felt, she takes over the fucking by moving back and forth on his rocket.

For years I was a model and then became a production assistant, but I really missed being in front of the camera. Then it came to me one day when I was lunching with some girlfriends. We were talking about porn and I was teased into trying it.

I always was teased about my name, Dara. They'd say, 'I dare ya this, and I'd dare ya that.' Well, that's how I got into sex. A dare ya: to give Danny a blow job. And I did. And he liked it, and I liked it. And the rest, as they say, is history.

DARA
& JOACHIM

A woman with blonde hair is lying on her back on a blue and yellow patterned rug. She is looking up with her mouth open, showing her teeth, and her hands are near her chest. She is wearing a black strapless top. The background is a wooden floor.

Then I got a dare ya
to try some back door
banging. I was ready
to try it so I said "let's
do it." The first time or
two was a little rough
but my butt hole final-
ly decided to love it.
Now, I just won't have
sex without a cock in
my willing ass.

an affair at the fair

I'm at the Texas State Fair this year working as a carny on the midway. It started last weekend and runs through the 23rd of October. The heat and humidity are high. And damn, there are a lot of people here. They told me that last year attendance almost hit two million visitors. That's larger than Dallas itself.

I'm on break and having lunch in one of the indoor venues to get out of the heat. Nothing special, just a corn dog, some chips and a soda. I have a view of the whole area and I noticed a pretty woman sitting close to the door. She was alone and maybe in her early to mid-twenties. She had blonde hair with just a few strands hanging over silver framed glasses. She was wearing a short pleated blue skirt and a t-shirt she had tied into a knot above her waist. The t-shirt logo identified her as a hostess from one of the restaurants here at the fair. She must have been on her lunch too.

Shortly after my food arrived, I had to use the rest room. I finished, washed my hands and dampened my face and headed out the rest room door. After I got back to my table I was surprised to see that she was sitting there munching on my chips. My heart started

pounding out of control. My face seemed to feel like it was flushing and my skin was getting clammy.

Up close like this I could see she was a stunner. Big blue eyes, full chest pushing against her t-shirt and tanned skin. She looked at me and ask if I was going to sit or just stand there all day. She said its your table and all. So once I sat back down she asked me why I was staring at her earlier. I told her I was sorry but her beauty was so compelling that I could not help myself. She then told me she had to make a confession, that she had noticed me at my ride station because the restaurant she worked at was only two buildings away.

We talked a little more comparing Fair notes. She nibbled on more chips and suddenly she said she was feeling a little weird so she decided to go get some fresh air. I asked if she was okay and if I should go with her. She said that would be nice and I paid my tab as we passed out the front door. We walked for a short way when she saw some picnic tables set under a large canvas canopy. We walked to the one farthest back because it was under a large tree too, and it would be cooler. I had brought a wet nap with me and she took it and

After I got back to my table I was surprised to see that she was sitting there munching on my chips. My heart started pounding out of control.

I cupped her full, firm boobs for a moment and then reached down and pulled her cotton panties down to her knees. I gently bit one of her ass cheeks, then the other,

put it on her forehead.

Then she said she didn't want to keep me because I was probably due back at my station. I told her not to worry I had another half hour before my shift began again. We're sitting next to each other facing the empty lot full of tables and next thing I know I felt her hand rubbing the top of my leg and squeezing my upper thigh. I started caressing her other arm very gently. As I made my way up her arm, I reached her shoulder and started rubbing the base of her neck. That was when she squeezed even harder on the inner part of my thigh as she closed her eyes and sighed with pleasure. She then found my cock and started rubbing it over my pants. I could not believe this was happening. I ran my fingers up the back of her neck through her hair. I grabbed a hand full of her hair and gave it slight pull, she moaned a little bit more and so I rubbed a little bit harder.

That was when we just got into it like dogs in a frenzy. She grabbed my face and we started kissing each other rather sloppily, tongues exploring each other's mouth while my cock was getting harder and harder. My pants were getting tighter by the minute. That was when she unbuttoned and unzipped my pants and pushed me down on the bench of the picnic table. Once I was down, she pulled my pants down just enough to make sure my cock was

exposed enough for her. She started by grabbing my cock with one hand and stroking it with a firm hand. She looked at me from behind her glasses and licked her lips.

Looking around to be sure no one was coming, she lowered her head and put her mouth around my cock. She got into a momentum that was amazing. She then stuck her tongue out and took my cock right down her throat and her tongue touched my balls as she held them in her hand. I thought I was going to empty a load directly into her stomach, but she pulled my cock out of her mouth and pushed it up towards my chest to make my balls and ass more available. She then started licking my balls and sucking on them one at a time, then both all while stroking my cock. Then I felt her warm tongue touch my ass hole. I would have never thought that I would like it, but at this precise moment it felt totally amazing.

She continued licking my balls for a minute or more, then continued back up my cock licking it up to the tip. This continued for a few more minutes when I made her change places with me. I had her bend over so I could run my hands up the outside of her legs up to her thighs and up under t-shirt. She wasn't wearing a bra so my hands and fingers went unobstructed right to her nipples. I cupped her full, firm boobs for a moment and then reached down and pulled her cotton panties down to her knees. I gently bit one of her ass cheeks, then the other, groping them with each bite and spreading her ass cheeks to show her pussy and ass hole. I started rubbing her clit with my thumb as I was licking that spot between her ass hole and pussy. I then slowly started licking her pussy, pulling each lip out and sucking them while still rubbing her clit.

I then took a finger and slowly pushed it in her ass she moaned with pleasure.

I was finger fucking her pussy, going from one to two to three fingers as she moaned louder with each additional finger. After a few minutes, I rolled her over on the bench seat, raised her legs and removed her panties. Then I pushed her t-shirt above her breasts to expose her perfect boobs. I cupped her boobs and started sucking on her nipples one at a time, pinching each one in turn until her nipples were just as erect as my cock. I then straddled her and she wrapped her boobs around my cock and I fucked her boobs for a couple of minutes while the tip of my cock entered and exited her mouth.

I then move back down to her beautiful legs still in her sneakers. I spread her legs wider and put the tip of my cock at the opening of her smooth pussy and slowly pushed it into her making her scream into her arm trying not to make too much noise. "Deeper." she whispered, moaning with every slam into her pussy. With every thrust she would get closer to orgasm, rocking harder on my cock and then she tightened up. I felt her pussy squeeze my cock and her fingers digging into my ass as she climaxed. She then rolled over on the bench and told me to fuck her from behind. So I rammed my hard cock deep inside her pussy, smacking my balls off her clit. She moaned as she had one another orgasm, then another. They just kept cumming.

I reached for her boobs, slammed my cock even harder into her until she couldn't take anymore. At that moment my balls were so full I was ready to blow my load. I started grunting as if I was going to explode and she pulled me out of her pussy and took my cock in her mouth and started sucking it like crazy.

When I was about to shoot, she stuck one of her fingers at the outside of my ass hole and pushed it further and further in until I felt her knuckle bottom out. That's when I shot my load into her mouth and she kept sucking and fingering my ass until she got every drop out of me. And just when I thought she was done, she sucked my cock like a straw and pulled out what ever cum I had remaining in my balls. I felt my toes curl and my ass pucker around her finger. Once I relaxed she pulled back and released my cock from her mouth and pulled her finger from my ass. She wiped her mouth and finger and we both got dressed.

We exchanged numbers and have been having lunch together almost every day, although we've only had sex two more times in hidden corners of the Fair. I found out she lives outside of Houston and I'm on my way to Miami. I think it's time to find out if she'll see me after the Fair is done. We haven't had a chance to discuss this very much but if she does, I may just have to try to tap her delicious booty with my cock!

Update: It's early March and she has come a couple times to see me and I flew back to Houston once. Just so you know, I finally did tap that booty, and it was worth every minute of the wait.

And just when I thought she was done, she sucked my cock like a straw and pulled out what ever cum I had remaining in my balls.

Lovely 'Lina. That's what they used to call me. I'm very sexual and love all kinds of sex with all kinds of people. A lot of guys and girls hit on me when I doll up and look like a celebrity. I've taken advantage of that a few times – for fun.

Evelina

I'm very picky when it comes to whom I'll sleep with. I don't care what kind of car he drives, or even if he's not in the best of shape. All that matters is that I want to suck his cock and then have it inside me. I especially love it if a guy brings me flowers. If you do that, you'll get my pussy every time. Guaranteed!

I'm still quite adventurous
